ME 496 PROJECT REGISTRATION FORM

**Student Instructions:** A student may not register for ME 496 unless he/she has obtained prior permission from a member of the ME faculty who will serve as the student’s project supervisor. After obtaining this permission, the student will fill out the statements below and obtain their advisor’s signature as well as the signature of the faculty member supervising their research. The approved form must be turned in to Lori Yarger in 140 Reber Building. After doing this, the student will be registered for the appropriate section of ME 496.

**NOTE:** ME 496 is used as an Engineering Technical Elective (ETE) or a General Technical Elective (GTE) not an ME Technical Elective (METE). A student may not use more than 6 combined credits of ME 494 and/or 496 towards degree requirements.

**Faculty Instructions:** ME can only be supervised by ME faculty with at least the rank of Assistant Professor. Faculty supervisors should carefully review the qualifications of each student to make sure he/she meets the current ME requirements for taking ME 496. Faculty unsure of the requirements may check with the Associate Head of Undergraduate Programs in 140 Reber Building.

Student Name __________________________________________________________________________________________

Student ID #______________________________________    GPA ______________          PSU Email:  __________________

Semester to be enrolled __________________________               Number of credits to be taken _____________    (1-3 credits)
